You haven't seen the whole World, till you've seen the Walt Disney World Village at Lake Buena Vista.

There's another side to Walt Disney World that you simply must experience. It's the Village. You can see Old World craftsmen working with pottery, crystal and inlaying gold. Stroll through more than two dozen shops filled with unusual treasures from all over the world, or dine aboard a Mississippi riverboat. You haven't seen the whole World till you've seen the Village. It's open daily, 10 till 10, every day of the year. Take I-4 east to the Lake Buena Vista/535 exit. Go north on 535 to Preview Blvd., then left for less than a mile.
